Dear Denise,

The Inspectors have asked me to forward their reply to your email and attached front page of the Eastern Daily Press. This reply will be posted on the website as soon as possible.

"We refer to your letter of 1 November concerning the announcement by the Department for Transport on 26 October.

We consider that it would be inappropriate for us to act as you suggest. You know about the exchange of letters that we had with GNDP in October. At this stage the examination hearings should proceed unless the constituent authorities of GNDP decide otherwise. As you know, the programme offers opportunities for your concerns to be aired and discussed".

Regards

Louise
