

Greater Norwich Development Partnership

GNDP wide Investment Plan 2012-2017

Jobs, homes, prosperity for local people

Previous work

- Used JCS assumptions
- Primary purpose to model CIL rates
- Looked long term

Jobs, homes, prosperity for local people

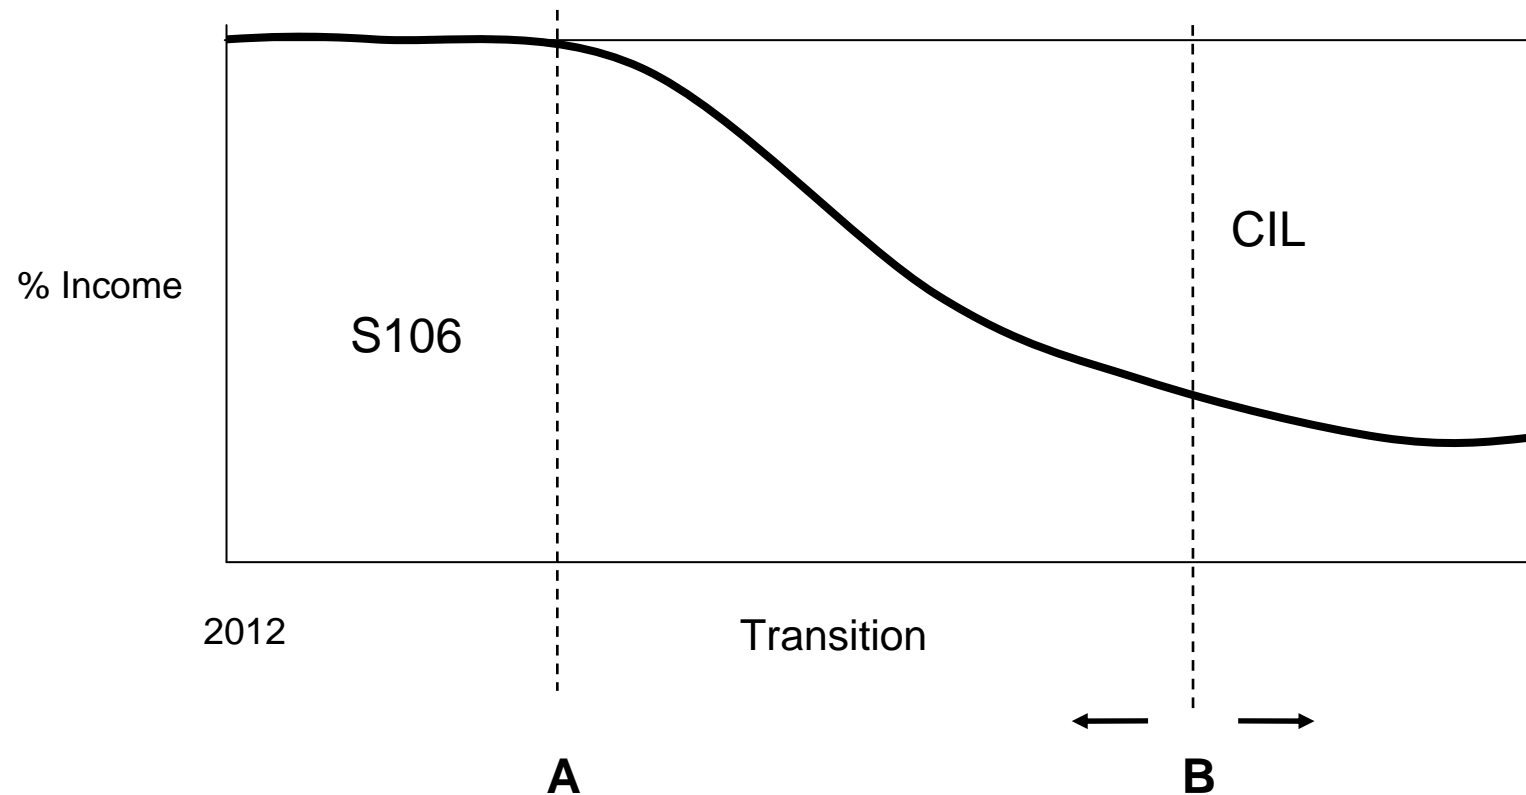

5 Year Investment

- Replacement of long term assumptions
- Highlights economic conditions
- Challenges previous assumptions of early income from CIL and S106

Jobs, homes, prosperity for local people

CIL and S106

Jobs, homes, prosperity for local people

Next Steps

- Draft plan in spring 2012
- Key input for support on funding options

Jobs, homes, prosperity for local people
