

GNDP Joint Core Strategy (JCS) Inspector's Matters and Key Questions

Representation made by Ed Palmieri, IE Homes & Property Ltd (ID 3689)

Main Matter 3, Long Stratton

Representation on Main Matter 3, Long Stratton (L) :

Yes it does as Long Stratton benefits from comparatively good bus links to Norwich and has the best range of shops, services and employment opportunities (Policy 14, para 6.52, page 84).

Representation on Main Matter 3, Long Stratton (M) :

The allocated growth is sound, see comment above.

GNDP Joint Core Strategy (JCS) Inspector's Matters and Key Questions

Representation 2 made by Ed Palmieri, IE Homes & Property Ltd (ID 3689)

Main Matter 3, Long Stratton

Representation on Main Matter 3, Long Stratton (N) :

Yes the retention of growth and the by pass is sound – see GNDP JCS Evidence Base Examination Document EIP 86.

Representation on Main Matter 3, Long Stratton (O) :

The by pass is an infrastructure dependency and as EIP 86 concludes the growth can be achieved with the delivery of the by pass.

Representation on Main Matter 3, Long Stratton (P) :

The JCS is sound in relation to Long Stratton – see EIP 86.
