

SUMMARY OF PETITION

Vision: Our Wymondham

Petition Presented To:

South Norfolk Council Special Council Meeting

Thursday 30th September, 2010-11-16

**'Against Speculative and Uncontrolled Development In
Wymondham'**

We the undersigned are opposed to speculative and uncontrolled development in Wymondham for the following reasons:

It would create urban sprawl in Wymondham and destroy the character of our Market Town. It would also pre-empt the findings of the emerging local plan.

In fairness to other landowners we call on South Norfolk Council to keep to its time table for the allocation of development sites in the town as outlines in the Joint Core Strategy.
