To The Programme Officer,
Examination In Public
The Joint Core Strategy
Greater Norwich Development Partnership

17 November 2010

**PETITION OF RESIDENTS
LOCAL TO VILLAGES AFFECTED BY THE
PROPOSED LARGE SCALE HOUSING
DEVELOPMENTS AND ECOTOWN
NORTH EAST OF NORWICH**

Conducted by Stop Norwich Urbanisation between August and October 2010, terminated when the Examination in Public of the Joint Core Strategy required its presentation to Keith Simpson MP, House of Commons, 8 November 2010

Text of Petition:

To all whom it may concern:

I am opposed to any large scale housing developments that would increase the urbanisation of Norwich and ruin the surrounding countryside. This includes the proposed "ecotown" at Rackheath and its dubious exemplar and any other inappropriate development.

I support dispersed housing plans developed according to the needs of rural villages and to invigorate their communities. (August 2010)

Signed by 3195 local residents
