Dear Amy,

Joint Core Strategy submission

I confirm that at its Council meeting on 29th January 2013 Norwich City Council formally resolved:

1) that the Proposed Submission Document is considered to be legally compliant and sound; and

2) to submit the “Joint Core Strategy for Broadland, Norwich and South Norfolk: proposed submission document” and supporting documents to the Secretary of State under Regulation 22 of the Town and Country Planning (Local Planning) (England) Regulations 2012;

3) to delegate authority for the deputy chief executive (operations) in consultation with the portfolio holder for the environment and development to approve, in partnership with GNDP partners, the detail of technical documents required to be submitted alongside the JCS.
