

23 December 2011

Dear consultee,

Community Infrastructure Levy: Regulation 15 Preliminary Draft Charging Schedule: Next Steps

I am writing to you following your representation to the Community Infrastructure Levy: Regulation 15 Preliminary Draft Charging Schedule.

The Greater Norwich Development Partnership Board met on 15 December 2011 and considered:

- the responses to the consultation (representations and officer comments can be found on the GNDP website www.gndp.org.uk)
- additional evaluation work on viability; a number of scenarios / schemes were presented
- changes to the Draft Charging Schedule and supporting documents.

The Board resolved to recommend that the Council's of the constituent authorities of the Partnership agree to publish the Regulation 16 Draft Charging Schedule for a four week period from 6 February 2012 – 5 March 2012. Publication allows any interested party to make representations on the Draft Schedule which will be considered before the Partnership formally submits the Draft Charging Schedule to the Planning Inspectorate for independent examination.

The Full Council meetings, open to the public, where the Regulation 16 Publication will be considered are:

Broadland District Council: 5 January 2012

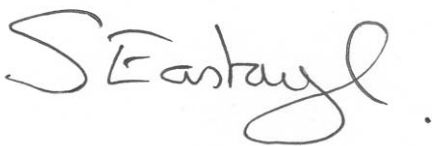

Norwich City Council: 31 January 2012

South Norfolk Council: 23 January 2012

Publication will also be considered by Norfolk County Council Cabinet on 3 January 2012.

The further viability evidence will be published on the GNDP website www.gndp.org.uk/our-work/cil and this evidence will be available for comment at the same time as the Regulation 16 Publication.

Yours faithfully,

Sandra Eastaugh
