3 February 2011

Dear Ms St John Howe

**TOWN AND COUNTRY PLANNING (LOCAL DEVELOPMENT)(ENGLAND)  
REGULATIONS 2004 AS AMENDED  
JOINT CORE STRATEGY FOR BROADLAND, NORWICH AND SOUTH NORFOLK  
DEVELOPMENT PLAN DOCUMENT**

**PUBLIC EXAMINATION – INSPECTORS’ CHANGES.**

Thank you for your letter of 30 December 2010 informing the Highways Agency of proposed changes to the draft submission Joint Core Strategy document and your request for any observations and representations by 4 February.

I have one comment to make on the proposed changes:

**RF117 Policy 20 pages 63**

In late 2010 proposals for Postwick were significantly advanced. The scheme and associated development has planning permission and *in principle* the design of the layout of the junction has been agreed by the Highways Agency.

*In principle* added

**Reason**

The junction design is currently subject to statutory procedures. In particular the published A47 Postwick Draft Orders are subject to a forthcoming public Inquiry.

I have no other comments to make.

Yours sincerely
