Dear Sandra

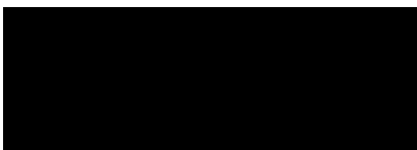

Joint Core Strategy for Broadland, Norwich and South Norfolk – Statement of Focussed Changes

Thank you for the opportunity to comment on the focussed changes to the Joint Core Strategy for Broadland, Norwich and South Norfolk (your letter dated 16th July 2010).

EEDA's principal role is to improve the East of England region's economic performance. Our main concern with local development documents is therefore that they will help deliver, and provide the spatial framework for sustainable economic development and regeneration in the East of England.

EEDA previously commented on your Core Strategy Document in April 2009 and we have no further comments to make on the proposed amendments.

Yours sincerely

Natalie Blaken
