Subject: ldf/sp99(007) CIL Preliminary Draft Charging Schedule Consultation

Dear Ms Estlaugh

CIL Preliminary Draft Charging Schedule Consultation

Thank you for the opportunity to comment on this document.

I do not have a great deal to say about this document as I would not expect there to be provision within the CIL for water and wastewater infrastructure. We would be pleased to engage in further discussion should wastewater network infrastructure be considered for inclusion.

Wastewater infrastructure is currently funded by Anglian Water (by seeking appropriate funding approved by OFWAT) and by developer contribution through the appropriate sections of the Water Industry Act 1991.

Please do not hesitate to contact me should you wish to discuss this matter further.

Regards

Sue Bull
