Thank you, but unfortunately, Roger was already committed to another meeting that evening.

The results of the Councillors deliberations were that they wished to express their objection to adding the cost of new building into the current economy.

A response to the detailed questionnaire was declined since the council did not feel competent to do so without some better explanation.

Thank you for this Ruth. Having read the documents, the Councillors have asked me to request that an officer attend our Parish Council meeting on Monday 7th November. Would you be able to pass on this request to Sandra for me?
Regards
Debra

Dear Debra,

Sandra asked me to send the CIL consultation documents to you - attached are the 2 letters we have sent to you, one about the GNDP consultation and one about the government consultation.

This link www.gndp.org.uk/our-work/cil will take you to the consultation documents - they are large files so I haven't attached them, but please let me know if you would like email or paper copies.

Kind regards,

Ruth Charles
