Q1. Do you consider the Council(s) has followed a correct approach in developing the Draft Charging Schedule as required by the Community Infrastructure Levy Regulations 2010 (as amended)?

Yes No

I would like my representation to be considered for (please tick all that apply):

Broadland District Council's Draft Charging Schedule.....

Norwich City Council's Draft Charging Schedule.....

South Norfolk Council's Draft Charging Schedule.....

If no:

a. Did you raise this issue at the Preliminary Draft Charging Schedule Consultation Stage?

Yes No

b. Please give details of what change(s) you consider are necessary, having regard to the legal requirements for a charging schedule and, if not raised previously, why not. You will need to say why you think this change will make the Draft Charging Schedule legally compliant. It will be very helpful if you could also put forward your suggested revised wording of any text. Please note your comment should briefly cover all the information, evidence and supporting information necessary to support or justify the representation and the suggested change as, after this stage, further submissions will only be possible at the request of the examiner, based on the matters and issues he/she identifies for examination. Please be as precise as possible. Only information that relates to the representation will be accepted.
