Subject: Community Infrastructure Levy: Egulation 16 Draft Charging Schedules for Broadland, Norwich and S. Norfolk

At it's meeting dated 23rd February 2012, Brundall Parish Council asked me to forward the below stated comment regarding the Notice of consultation:

"That the proportion proposed by the Joint Core Strategy of a 5% allocation for local infrastructure is an inadequate allocation of CIL money as it gives this village little incentive to encourage development".

Best Wishes,
Sharon Smyth.
Parish Clerk.
