**Community Infrastructure Levy Publication**

Thank you for your letters of 23 January and 1 February consulting The Theatres Trust on the publication of the CIL draft charging schedules for Broadland, Norwich and South Norfolk councils.

We support the publication document because Art and Cultural Infrastructure are included in Appendix 1.

The individual Draft Charging Schedules have a section for sui generis and we suggest for clarity that theatres are added to the examples given. We also suggest it may be confusing to use the term 'assembly and leisure' for both D2 and sui generis. As a descriptive term it belongs to D2 class use and, as sui generis is not a Use Class, it should be separated from D2 although the charge may be the same.

The Theatres Trust is The National Advisory Public Body for Theatres. The Theatres Trust Act 1976 states that *'The Theatres Trust exists to promote the better protection of theatres. It currently delivers statutory planning advice on theatre buildings and theatre use through the Town & Country Planning (General Development Procedure) (England) Order 2010 (DMPO), Articles 16 & 17, Schedule 5, para.(w) that requires the Trust to be consulted by local authorities on planning applications which include 'development involving any land on which there is a theatre.'*
