Dear Graham,

Thank you for your letter of 17<sup>th</sup> May 2010 which followed our brief conversation on 13<sup>th</sup> May.

The Inspector has asked me to let you know that the Drivers Jonas document (H5) is not being considered in any context other than whether or not it forms a robust and credible part of the evidence base for policy 4 of the GNDP Joint Core Strategy.

I hope this is helpful.

Yours sincerely

Programme Officer
